HAPPY NEW YEAR

## A Letter From The Director

I hope everyone had a wonderful holiday season!

In this new year, my goal is to have more volunteer mediators in the courtroom! Our mediators are trained and certified through the Administrative Office of the Courts. They are unique individuals from all walks of life, and different educational backgrounds and careers. Volunteering for Early Settlement offers an opportunity for community interaction, enhancement and trust. Help us serve your courts and communities by spreading the word about our program and how volunteering as a mediator offers the opportunity for individuals to serve their communities in a meaningful way.

I am looking forward to seeing you in the new year!
