

# Early Settlement Mediation Southwest Program

Happy  
New Years

## A Word From the SW Director:

First, I want to thank all of you and our amazing staff members for stepping up and making sure all cases and dockets were covered while I was gone in December. I am feeling great and ready to get back mediating.

Second, while we have seen a slight dip in family numbers from last year we are seeing a large boom in civil and permanency cases. So far in FY24 we have mediated more cases than we did at this time last year.

Lastly, I can't wait to see what amazing things our program will be able to accomplish in this upcoming year because of your amazing hard work.

Thank you all. I appreciate you more than I could ever express.

Sarah
