

Early Settlement Mediation *Southwest Program*

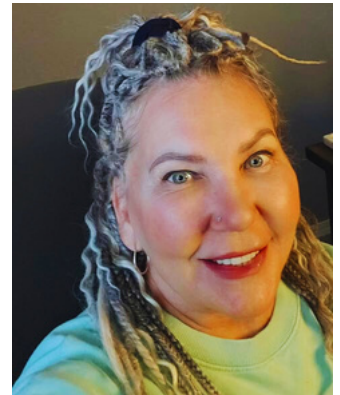

VOLUNTEER OF THE YEAR FOR FY 24

Each year our program nominates one of our outstanding volunteers to be our "Volunteer Mediator of the Year." For FY 2024 our office has chosen Laurie Mayer as our mediator of the year!

Volunteer Hours: 55.5

Number of Cases Mediated: 22

Since completing basic civil mediator training, just a couple years ago, rarely a month goes by that Laurie is not volunteering her valuable time and talent with our program. Her experience as a veteran and a civil service employee has imparted her with a knack for mediating even the toughest of cases. Laurie is an avid traveler, outdoors woman, and always up for a new challenge.

When asked why she volunteers Laurie stated, "I volunteer for a number of reasons; the desire to make a positive impact, to help others, to gain new experiences, or to further develop my own skills. Being a volunteer mediator allows me the opportunity to connect with others who I may otherwise never have a chance to meet, to build relationships with like-minded people and to experience fulfillment in supporting a larger purpose. My ability to volunteer as a mediator for the SW program is in large part due to the amazing support and grace I have received from the director, Sarah Head, who is an exceptional role model."
