

Early Settlement Mediation Southwest Program

A note from the SW Director

What a wild ride FY 26 (July 2025–Now) has been for our program! Because of your hard work our program continues to see increased growth in case numbers and settlement rates. I couldn't be more thankful for the hard work and time you generously give our program!

Big news . . . our offices have moved! We didn't move very far . . . only up to the 5th floor, but this move allows for more space. I promise we will have an "open house" when the move is complete.

Cameron University Special Assistant to the President, Jari Askins stopped by to tell SW program staff about the final approval for our office move.
