

Building on the foundation of over 30 years' collaboration between the Oklahoma Bar Association and the Administrative Office of the Courts, **Peer Resolution for Oklahoma Students (PROS)** realizes the vision of former Justice Alma Wilson and the leadership of the Alternative Dispute Resolution System, to offer peer mediation training to *all* school districts in Oklahoma in partnership with the University of Central Oklahoma. **PROS** is funded by a grant from the Oklahoma Supreme Court, Administrative Office of the Courts and hosted by the University of Central Oklahoma College of Education and Professional Studies.
