SOCIAL MEDIA BLITZ

VOLUNTEER LUNCHEON
MAY 24TH, 2022

VOLUNTEER HIGHLIGHT

CASELOAD SUMMARY

Throughout the pandemic, many of us were not able to connect face-to-face and it seems that many individuals, businesses, and programs had to become creative in maintaining connection. Social media has had a positive impact on allowing people to stay connected, reconnect, and discover things that they might not have had the chance to discover in their communities, towns, state, and worldwide. Early Settlement is utilizing this opportunity of connection through our new Social Media Blitz. Judges, attorneys, volunteers and the surrounding communities can all benefit by following and/or liking us on social media to stay up-to-date about our program, stay connected, or direct individuals to our pages who may be interested in utilizing our services or volunteering as a mediator.
