## Early Settlement Website

The NEW Alternative Dispute Resolution Web site is where all good things begin! This project has been 10 years in the making, so all of us at Early Settlement are excited to have this project on the ground and running! The Web site allows for scheduling and offers news, events, forms, and much more Early Settlement information you need! We are so excited to be able to offer this as a tool for the volunteers, judges, attorneys, court staff, and citizens of Oklahoma.

# Webinar Series

Due to the pandemic we were unable to offer and facilitate our annual Volunteer Conference of 2020.

A lot of planning and creative work by the Early Settlement Administration and Directors goes into the Volunteer Conference to offer our volunteers up-to-date mediation skills and techniques. In lieu of the conference and uncertainty of our next in-person conference, the Administration and Directors will be rolling out webinars for the volunteer mediators. A wide variety of mediation topics will be covered in the webinars. Webinar links and information will be made available to local volunteers as they are made available and can be found on the new Early Settlement Mediation Web Site listed above.
