EARLY SETTLEMENT MEDIATION

Southwest Program

FY 2022 NUMBERS

December 2021 marked the half-way point of our FY year. The following is a snap-shot of our program at the conclusion of 12/21.

Cases Referred: 167

Average cases referred each month: 27

Number of Basic Cases Referred: 72

Number of Family Cases Referred: 92

Number of Permanency Cases Referred: 3

In an abundance of caution, several of our area courts will continue to carry several small claims dockets rather than one large docket (reducing the number of individuals in the courtroom at one time). If you are interested in attending an area small claim docket please contact the office for a schedule.

Happy New Year!

We look forward to even bigger and better things

in the New Year!

In early January, two Southwest volunteer mediators (Jodie and Angela) attended a four day Family Mediation training in Norman. We are excited for them to join our certified mediators for upcoming family cases.

If you are interested in attending a future family training please contact our office.
