

Early Settlement Mediation Southwest Program

Small Claims Numbers Growing

While our overall case numbers are up from last year, our program is seeing a large increase in the number of small claims cases. The additional dockets are causing a bit of growing pains as we train up our newest volunteers. So, if you are available during a small claims docket please let us know.

Basic Training To Be Held In November

In an effort to make our training more accessible to potential volunteers, we will be having a 1 day basic mediator training. Training will be held on Friday, November 4th from 8:30am to 5pm, at the main campus of Cameron University.

If you know of someone who would make a great addition to our volunteer team, invite them to contact the office about the upcoming training.
